

## **CALL FOR PAPERS**

# International Symposium on **ADVANCES in COMPUTATIONAL HEAT TRANSFER**

**Rescheduled to:** August 15 – 19, 2021, Rio de Janeiro, Brazil

Source: Rio Convention & Visitors Bureau, <http://rcvb.com.br/>

### **SYMPOSIUM CO-CHAIRS**

Professor Yogesh Jaluria  
Mechanical Engineering Dept.  
Rutgers University  
Email: [jaluria@soe.rutgers.edu](mailto:jaluria@soe.rutgers.edu)

Professor Helcio R. B. Orlande  
Mechanical Engineering Dept.  
COPPE/Politecnica  
Federal University of Rio de Janeiro  
Email: [helcio@mecanica.coppe.ufrj.br](mailto:helcio@mecanica.coppe.ufrj.br)

### **SCHEDULE OF DATES**

One page abstract due: December 18, 2020  
Abstract acceptance: January 04, 2021  
Full text of paper due: February 19, 2021  
Paper acceptance subject to amendment: April 09, 2021  
Final paper due: May 14, 2021  
Early registration deadline and final payment  
date for publication in Proceedings: June 18, 2021

### **SCOPE**

Biological heat transfer  
Boundary layer flow and heat transfer  
Combustion and fire modelling  
Computational methods  
Double diffusive convection  
Energy  
Environmental heat transfer  
Forced convection  
Internal flow and heat transfer  
Inverse problems

Materials processing and manufacturing  
Micro and nanoscale heat transfer  
Natural convection  
Radiative heat transfer  
Single and multiphase flow and heat transfer  
Solidification and melting  
Sustainability  
Turbulent heat transfer  
Turbulence modelling  
Verification and Validation
